

SPORT & RECREATION

portfolio

This portfolio aimed to maximise opportunities for Cantabrians to continue to participate in sport and recreation activities. The Trustees' focus was on youth participation. The Trust worked with the Sport Leadership Group (comprising Sport Canterbury, Christchurch City Council and Sport NZ) to identify priorities in this sector.

Water sports \$2.145 million

Many water sport facilities sustained significant damage in the February 2011 earthquakes and in 2013/14 Appeal Trust funds continued to help these community facilities to recover with funds for repairs.

- › **SurfLife Saving New Zealand received \$945,000** via two grants. In October 2013, four clubs (Taylors Mistake, South Brighton, Waikuku and New Brighton) were granted \$95,000 to make temporary repairs and to store surf life saving equipment and boats, to enable surf patrol services for summer and the short-medium term. A further \$850,000 was granted in March 2014 towards the rebuild and repair of four clubs - Taylors Mistake \$300,000, South Brighton \$150,000, New Brighton \$300,000 and Sumner \$100,000 - so that surf life saving patrol services could continue.
- › **School swimming pools received \$350,000** via two grants. To help repair their school pools for summer, Linwood Avenue, Elmwood Normal and St Albans Primary Schools were granted up to \$150,000. West Spreydon School also received \$200,000 towards permanent repairs to its large outdoor swimming pool, which was kindly funded by SKY Television.
- › **Coastguard Lyttelton received \$400,000** towards a replacement coastguard facility in Lyttelton.
- › **Canterbury Yachting received \$400,000** to repair and replace access ramps to the water at Pleasant Point, Christchurch, Naval Point, Charteris Bay, Stewarts Gully and Waimakariri boating and yacht clubs.
- › **Owles Terrace flat-water sports hub \$50,000** helped towards the installation of temporary containers for boat and other equipment storage and amenities for flat-water sports.

North Avon Christchurch BMX Club \$456,000

This BMX track had been one of few local recreational facilities for young people in Bexley. Previously used for national BMX meets, the track and surrounding facilities at Bexley Reserve sustained extensive damage in the September 2010 earthquakes, but just as repairs were nearing completion a member of the public drove their 4WD vehicle onto the track destroying a large section, then vandals subsequently destroyed much of the surrounding facilities - but not the spirit of the club. Appeal funds are helping to rebuild the damaged track and surrounding facilities so the Club can again host national BMX meets. Work began mid-2014 and is expected to complete end February 2015.

Sport participation \$222,000

To help increase post-earthquake participation in sport events and programmes in Christchurch, Selwyn and Waimakariri, the Appeal Trust granted \$222,000 to Sport Canterbury to provide 30,000 people with the chance to participate once again in sports activities in their communities. Loss of recreational, cultural and leisure time activities had been identified as one of the highest negative stress factors affecting people's wellbeing in Canterbury.
